ACTIVITIES

And Charlie says, "Let us pray..."

Donna's reign ends, and Kim's begins.

The day of the game, spirit was soaring. The Bengals took a victory from the warriors, winning 19-12. Half-time was as festive as the week had been. The marching band paraded proudly. The Court members applauded Duke Tim Gerdes and Duchess Kim Mahoney.

Penny Ganzel, Kim Mahoney and Dale Jesk...

Patty Klix, Debbie Runyan and Candy Wright wait patiently with their escorts.

Jan Hennessy says, "If this creep doesn't take his hands off me, I'll scream!"

The substitution for a Homecoming at Oak Forest was the Fall Festival. It was kicked off with a Spirit Week Celebration, and culminated in a burst of pride on the Saturday game against Crete-Monee. With no school on Monday, Tuesday saw the sky turn red with blood, as the girls' "Tug of War" began. It was open to all classes but only three of the classes participated. The champions were decided as the seniors beat the sophomores and the juniors beat the seniors. Wednesday things got cool, as the 50's day rolled in. All spirit minded student dressed the garb of the decade. Thursday was "Colors Day", which reached its climax in an outdoor Spirit Assembly. Seniors wore blue, Juniors red, Sophomores, green and the Freshmen, white. The winners of the contest were the Freshmen, who received the Spirit Stick. It was also at this assembly that the Cross Country Team was announced to have taken first place in the S.I.C.A. playoffs. Friday saw the event of "Male Chauvanist Pig Day" and also the eve of the grande finale of the week. Saturday concluded the fireworks of Spirit Week in the 19-12 victory over the Crete Warriors.

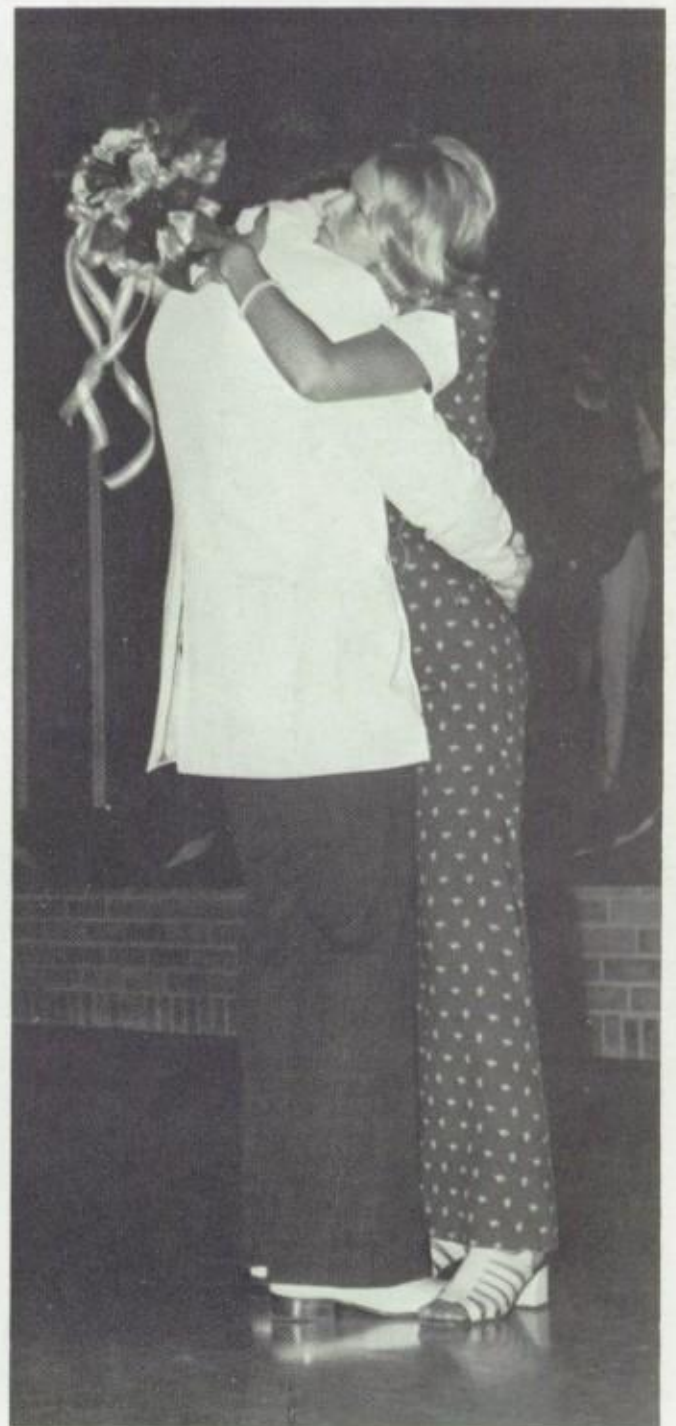

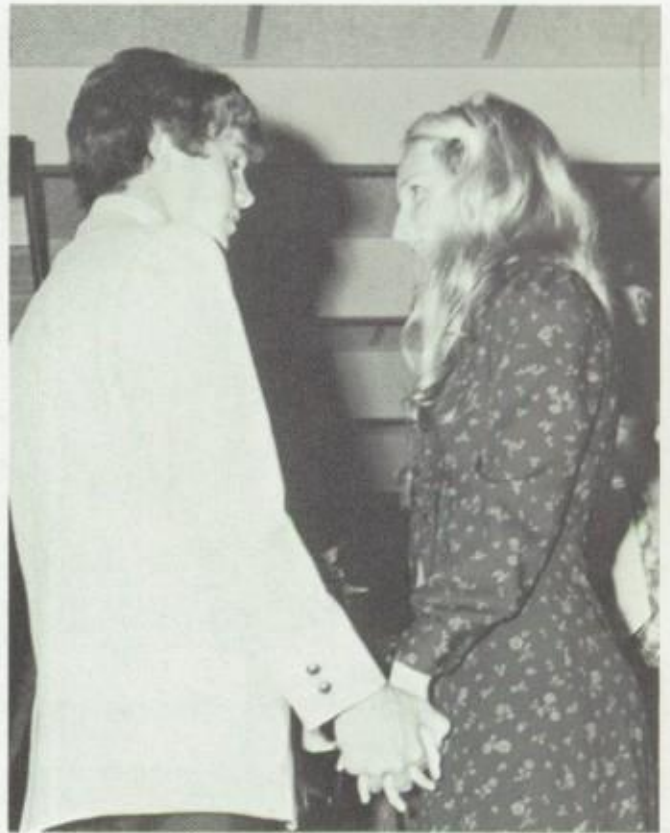

PRECIOUS AND FEW

A week of festivities and a victory over the Crete Warriors created the perfect atmosphere for our Fall Festival Dance. "Precious and Few" described this year's dance theme as well as the times we've seen our cafeteria so glowing with the spirit of triumph. The mood was set with music by "Zolot and Company".

**THEY MAY NOT BE PRETTY
BUT THEY SURE CAN CHEER**

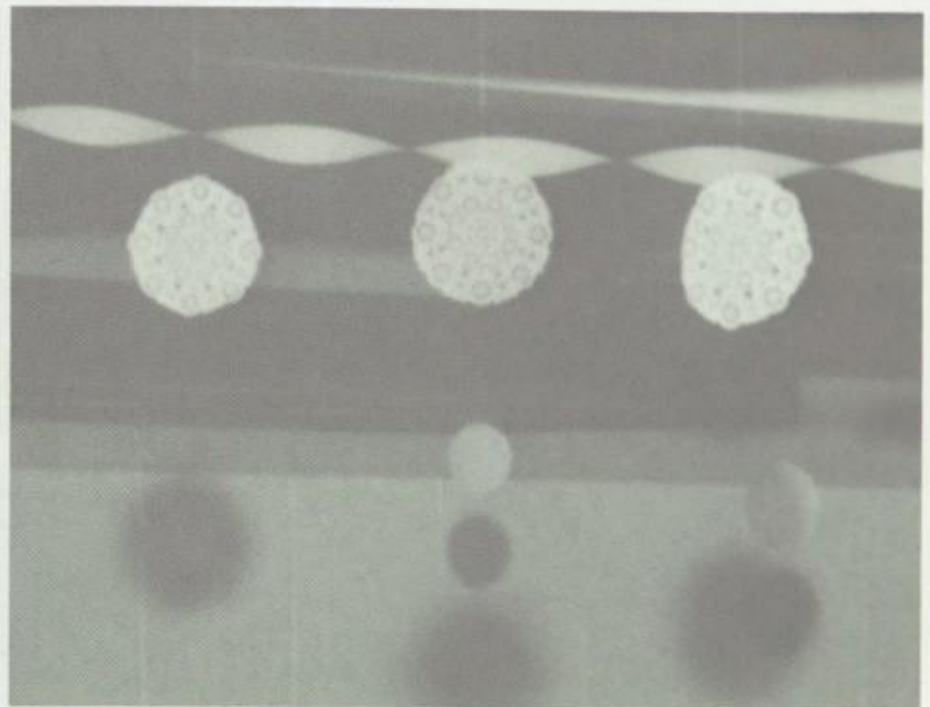

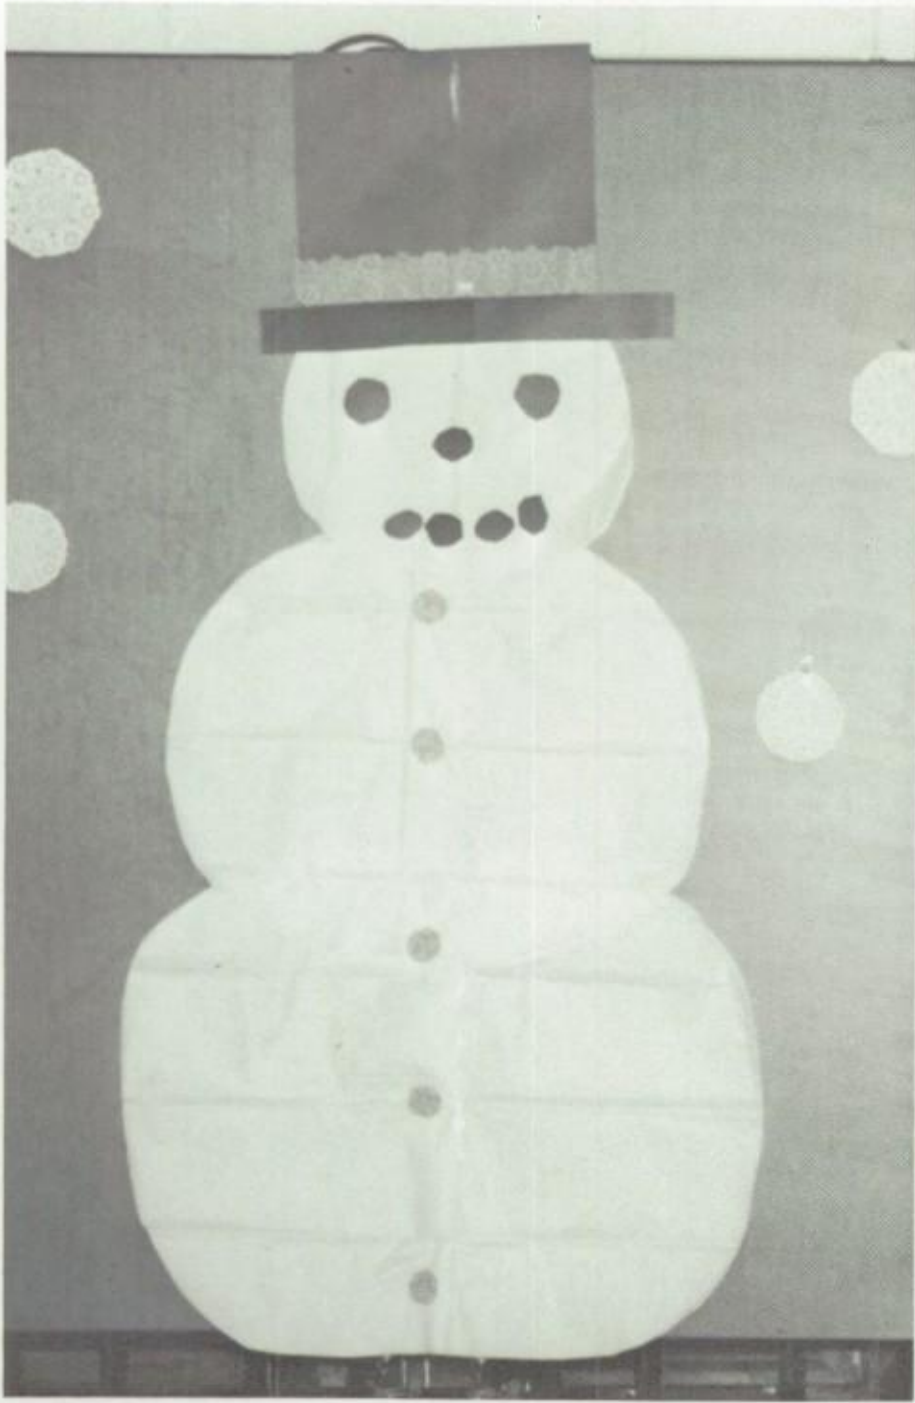

Jingle Bengals was the theme of this year's Christmas concert. The score from "Jesus Christ Superstar" highlighted the performance. The audience appreciated the melodies from the expanded chorus. A big round of applause went to Mr. Garrels for his ceaseless effort, the band for their enthusiastic harmony and to the chorus and Mr. Ricik for their conveying of the Christmas spirit.

REFERENDUM

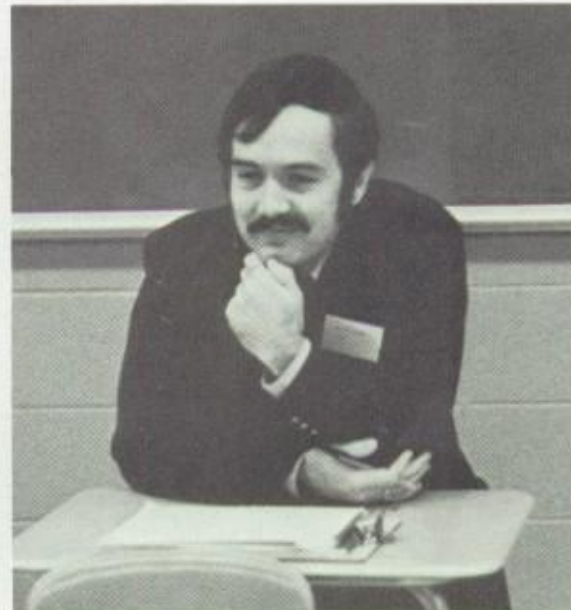

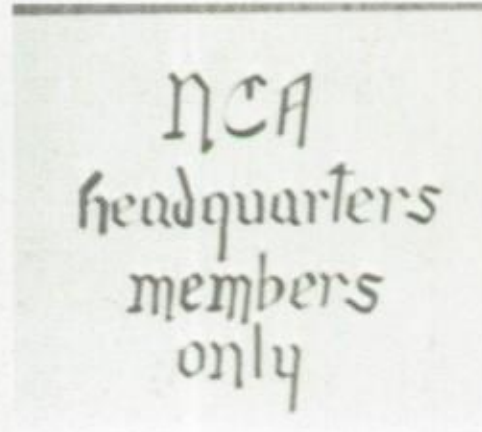

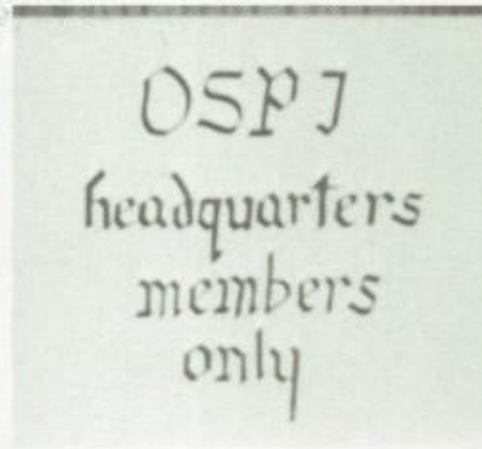

We strive to perfect our school and proved it as we passed our referendum. Everyone's effort was found to be effective as we enjoy a completed extra curricular program. Thanks to students, faculty, and the community for making posters, passing out flyers, attending the flashlight parade, and showing strong support by getting out to vote, we can enjoy all the benefits of a "total" school. We, as students, teachers, and parents, show pride in what we have accomplished!

OFHS IS EVALUATED

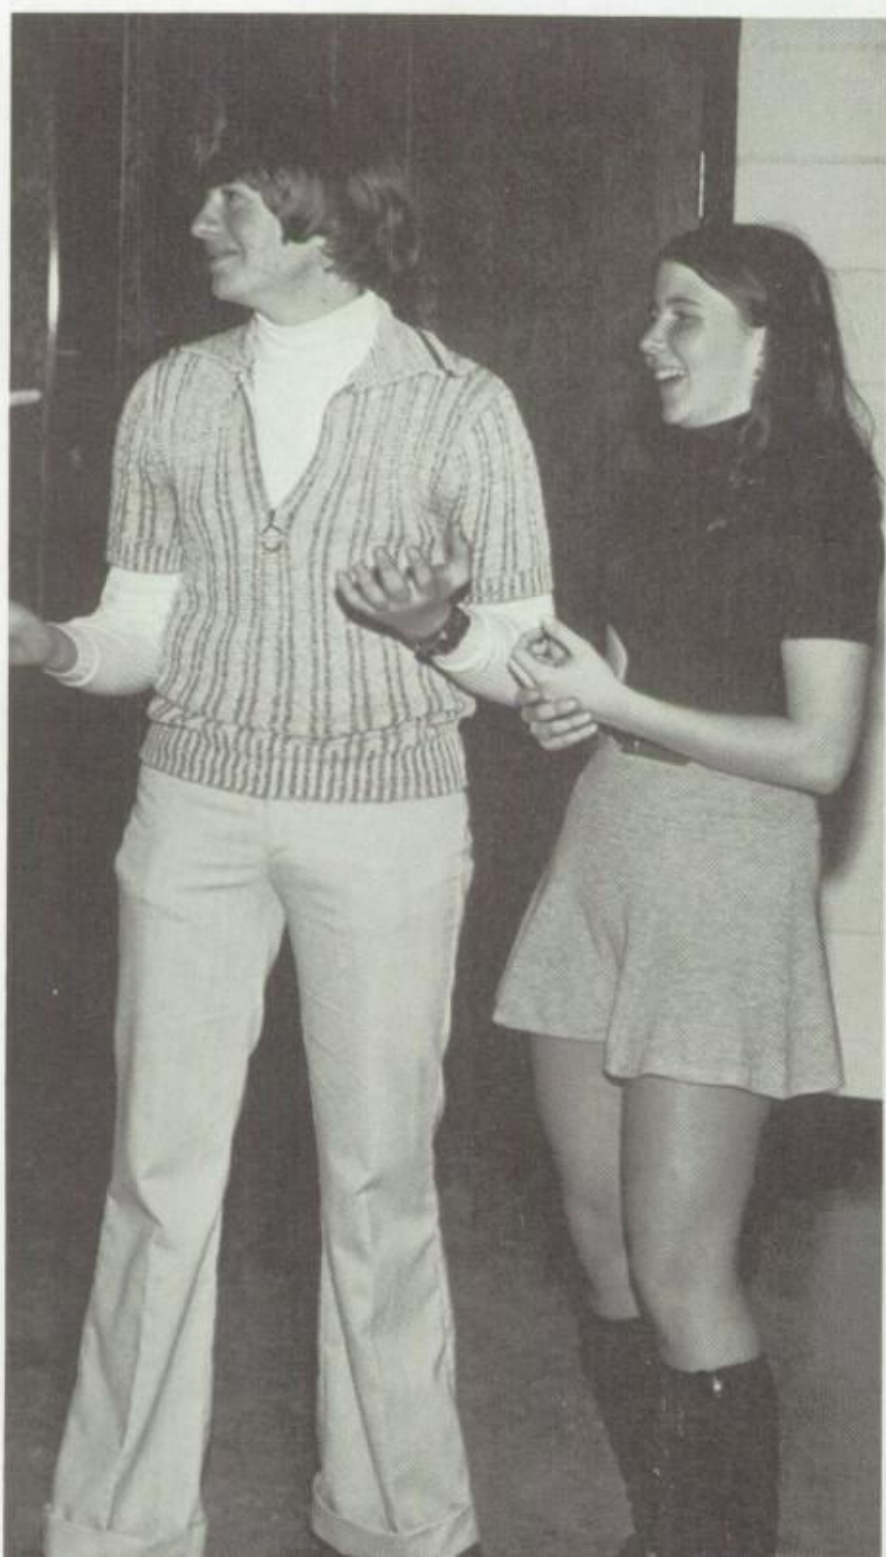

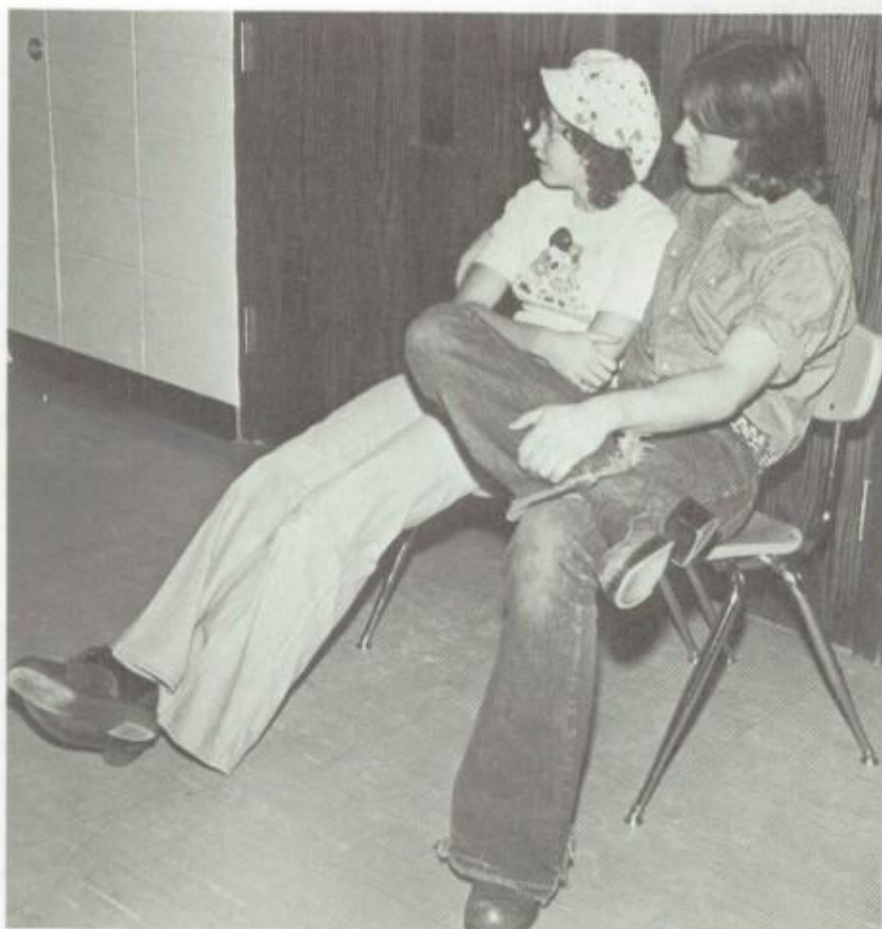

Verrrry interesting.

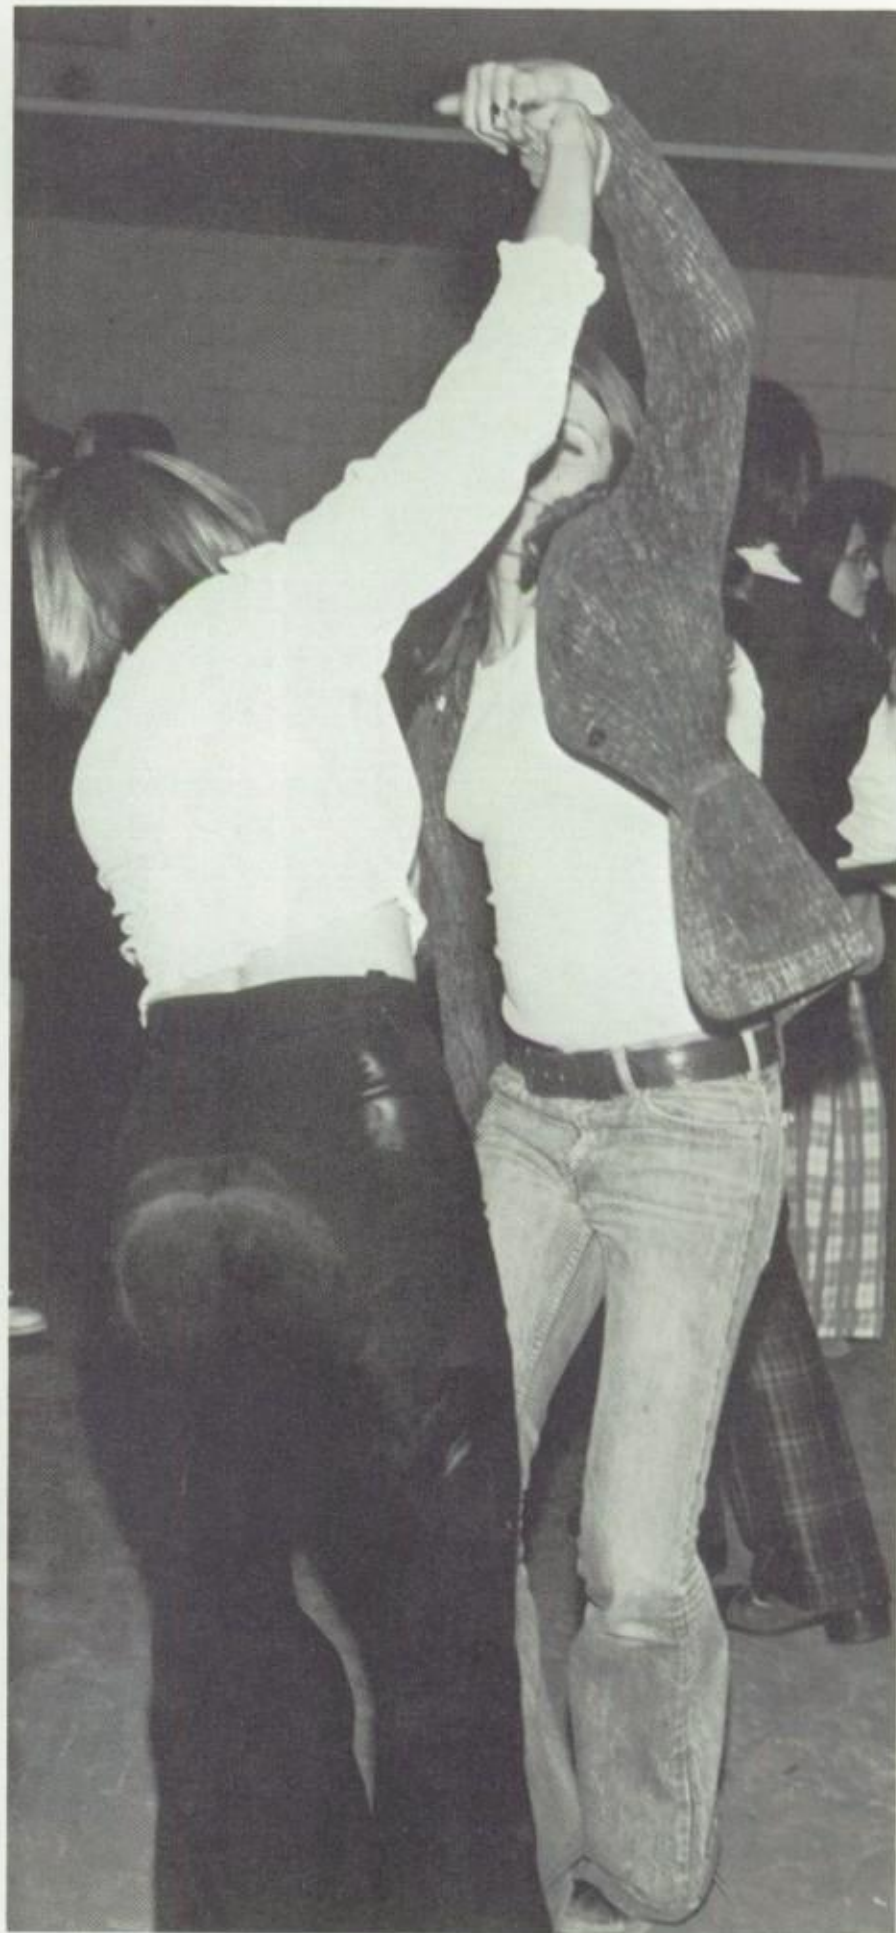

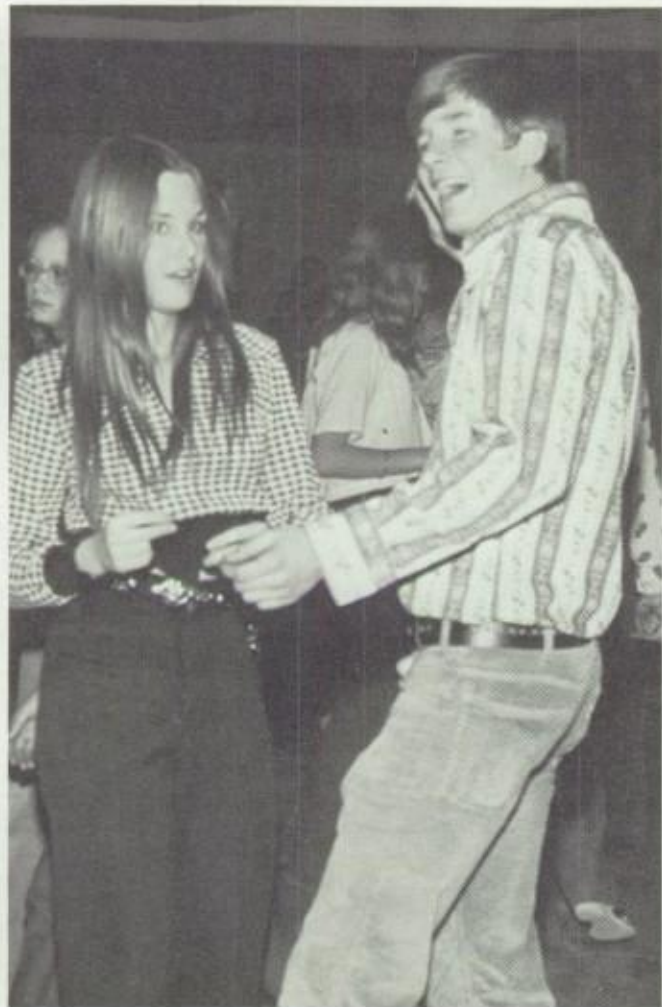

November, 1973, Oak Forest High had two teams of visitors, one from the office of the Superintendent of Public Instruction, and one from North Central Association. These teams helped the administration and faculty evaluate the strength and weaknesses of the school. The high morale and friendliness of the staff and students were heartily commended. The visitors were impressed with the quality of instruction and Oak Forest now proudly claims its accreditation.

Dear Students,

This yearbook, our fourth since the school opened, represents a "spirit" which has grown throughout our short, but eventful history. The maturity and sophistication of the student body has also continually commendably grown and is reflected in the contents and quality of this yearbook. My compliments to the yearbook staff and their advisors.

Our very first graduating class left us in June 1974 and we will miss them. They have left us with established and renowned tradition -- a challenge for any and all future senior classes. I offer my very best wishes to each of the members of the Class of '74 for their future endeavors and my encouragement to the remaining classes in their role of leadership to strive for and gain further outstanding recognition for their class and their high school.

Respectfully,

P. H. McBain

IN MEMORIAM DAVID LIETZ

Bowling... will it be a strike?

"Hey, don't start serving lunch till I get there!"

A champ, I am!

IN MEMORIAM CHRISTOPHER PUGLIESE

Chris, safe at first base.

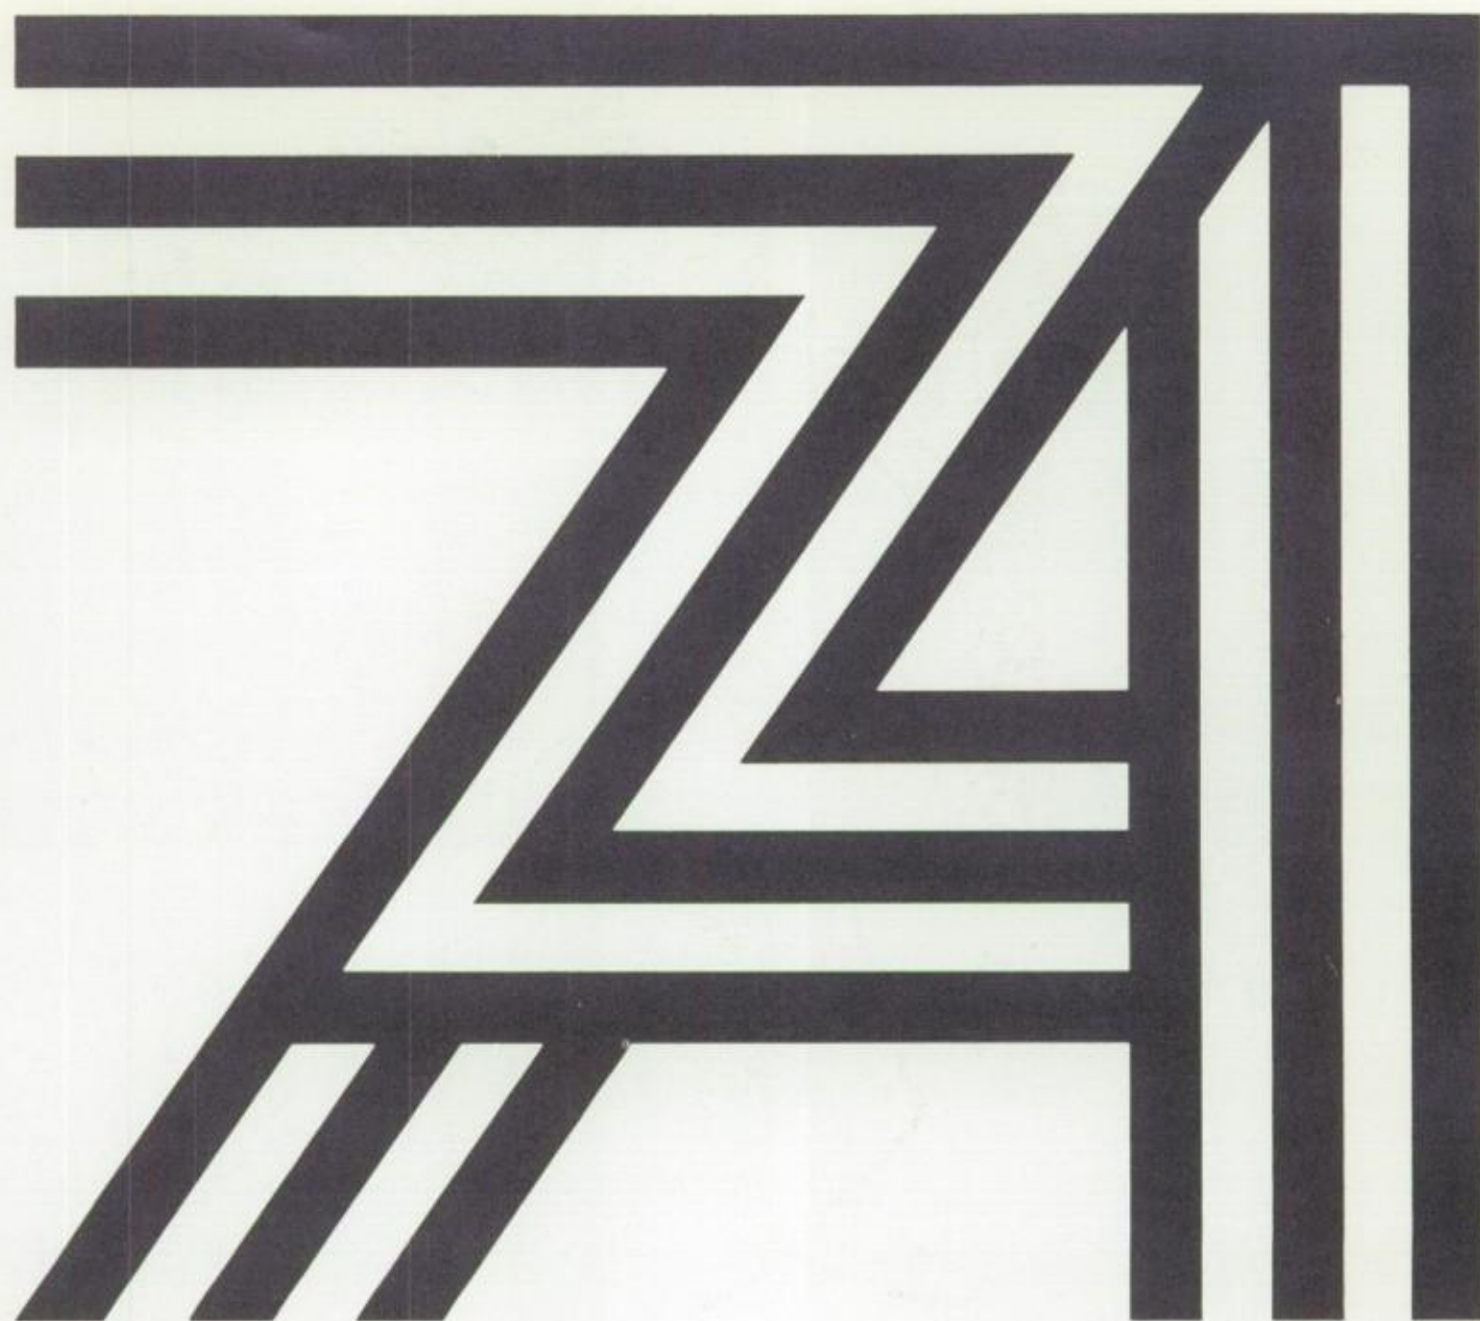

Make a wish and blow out the candles.

Oak Forest High School, now of age, has added all the proper accoutrements of a completed high school. Thanks to a special committee of dedicated seniors the school now boasts of its own crest.

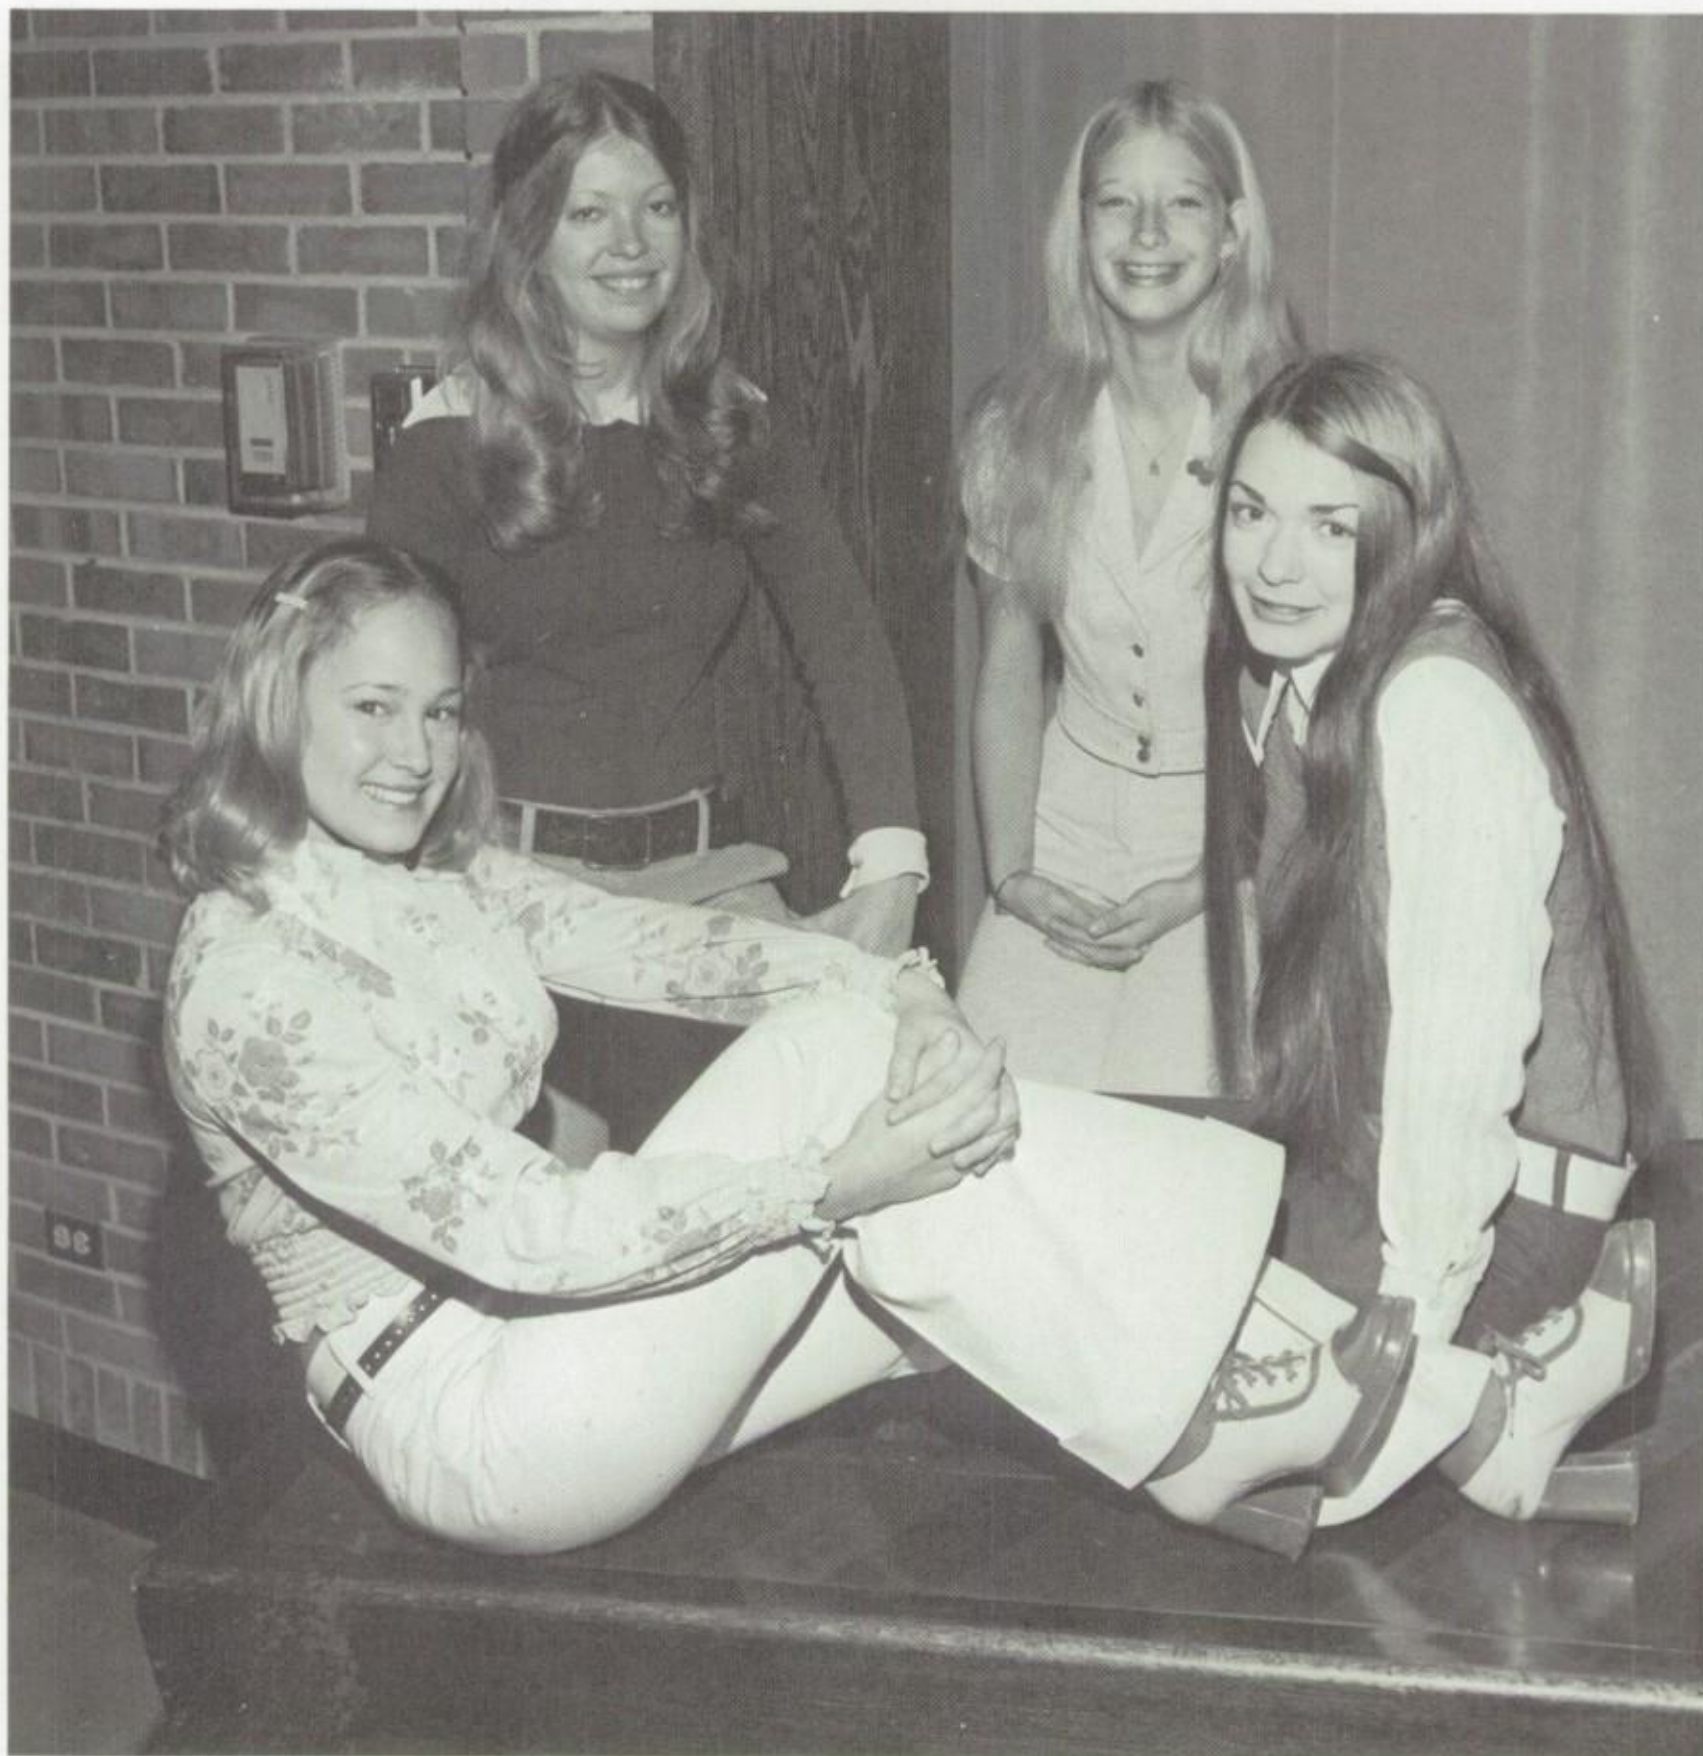

The Bengal tiger is the school emblem. The lamp of knowledge symbolizes excellence in academic achievement. The joined circles surrounding the lighted torch speaks of excellence in athletics. The oak leaves and acorn stand for tremendous growth from humble beginnings.

Seniors who gave us this crest are: Sharon Skoglund, Kathy Kough, Lora Bussie, Debbie Godbout, Pam Culp, Debbie Folgers, Sue Brusich, Kim Beechy, Sue Fortin, Connie Alterson, Rick King, Jim Pauly and Kim Mahoney.

The prevocational training center services twenty-four students from district 228.

Maureen Spangler
Rodney Specht
Carl Swanson

It is a completely self-contained unit which includes facilities for Home Economics, Arts and Crafts, Industrial Arts and Academics. An area which serves as a simulated sheltered workshop acquaints students with surroundings in which they may work someday. The students also enjoy monthly dances, parties, and occasionally cooking for company. The district can well boast of the strides made in this field of education.
